HT Glee 2024

If you have been put on the call back list, it's because we did not get enough time with you to see your full abilities. You may have been nervous, not as prepared as you might have wanted to be or just had an off day. Because of this, we are going to do some group work with you to fill the final open spots. Remember that some of you I know but the team needs to get to know you too. Make sure to bring your A Game. \bigcirc (Smiles, dancing feet, energy and show us you are ready) You will not be asked to sing your solo again. (Sunday Dec. 17th, St. Joes 2:30)
